

PBY - Naval Air Museum Whidbey Island, Washington

U.S. Navy "PBY-5A" Catalina

(P) = Patrol, (B) = Bomber (Y) = Consolidated Aircraft Corp.

**PBY-5A Flexibility: Amphibian, Anti-Submarine Patrol
Search & Rescue, Maritime Patrol, FireFighter**

See flight suits from the
1940s to the 1970s

Created by WWII veterans,
who flew the PBY
amphibious patrol bomber,
to honor the history of all the
Navy and Marine Aviators
who served our country from
Naval Air Station Whidbey
Island and all of those who
flew the Catalina.

MIG-21 tail
