Tours

Tours run 3-4 hours on the *Western Prince II* (up to 32 guests) and 2.5-3 hours on the *Western Explorer* (up to 15 guests). We may occasionally run longer if need be. Faster boats and flexible schedules give greater possibilities in finding whales and wildlife.

Location

We depart from Friday Harbor, San Juan Island, centrally located to where the whales travel and play, just 90 miles north of Seattle and a beautiful ferry ride from the mainland.

Reservations

Reservations are strongly recommended, however, we do take "walk ins" as well. Give us a call to check on availability or reserve online at www.westernprince.com.
