

Sign Up For
Project Oceanology's

Oceanographic Cruise

Experience marine science in a fun and unique way on our 2.5 hour cruise through Long Island Sound. Explore the biological aspects of

oceanography hands-on by pulling up a trawl net, a plankton net and examine the contents with instruments and equipment.

July — August

Tuesdays 1- 3:30 PM
Saturdays 10-12:30 PM

PRICES:
\$30 Adult
\$25 Child
