## VISIT OUR TASTING ROOM!

Founded in 1934 and headquartered in Hood River, OR., Hood River Distillers is the northwest's largest and oldest importer, producer & bottler of distilled spirits.

Hood River Distillers began by making fruit wines & brandies from the apples and pears that were going to waste as excess production for the valley's abundant harvests. Located along the Columbia River with majestic Mt. Hood as its backdrop, Hood River Distillers has been at its current location since 1969.

While many things have changed, the tradition and dedication to product quality has not.

Come visit our downtown tasting room and learn more about our heritage while enjoying a unique tasting and shopping experience. We offer tastings of our premium products, including Pendleton® Whisky and Trail's End®, plus products from Clear Creek Distillery.

# PURE FRUIT SPIRITS

*from the Pacific  
Northwest*

**CLEAR CREEK DISTILLERY** *was founded in 1985 with a vision to use the bountiful fruits of the Pacific Northwest to create fruit-based spirits that rivaled the best of their European counterparts.*

Using old-world techniques and sourcing ingredients from the local orchards and fresh water springs of Mount Hood in the Oregon countryside, Clear Creek became one of the first craft distilleries in the United States. Clear Creek's fruit brandies and liqueurs are distilled in small batches using traditional copper pot stills. Experience the authentic taste of locally grown and hand-crafted fruit spirits, the essence of pure fruit lovingly crafted to create exceptional products.

We love having visitors at the distillery and would love for you to stop by for a tasting or even a distillery tour. We offer tastings seven days a week and two tours on Saturdays. We are open Sunday through Friday 12pm to 6pm and Saturdays 10am to 6pm. Our tasting room is located at 2389 NW Wilson Street, Portland, OR 97210.
