# SEE SAN DIEGO IN A DIFFERENT LIGHT...

Our 90-minute journey kicks off with a drive through the West Coast's premier entertainment district, known as the **Gaslamp Quarter**. Famed for its vibrant nightlife, bright lights, and Victorian architecture, this unforgettable urban playground will captivate your imagination. Then, we'll head to **Balboa Park**, one of the largest outdoor cultural centers in the US, with its stunning buildings, fountains, and statues glowing bright, transformed at night, and equally as remarkable in the evening as they are during the day.

From Balboa Park, we'll drive to the top of the **Coronado Bridge** for more spectacular sights, including the lights coming in from Mexico, the bay, and downtown San Diego. We'll make a 15-minute stop at **Coronado's Ferry Landing**, a perfect photo op location, to take in the stunning beauty of the **San Diego city skyline** visible from across the bay.

From Coronado, we'll make our way to the **Embarcadero's Bayfront views**. You'll see the **Historic County Administration Building**, the Maritime Museum's **Star of India**, the **USS Midway Museum**, **Seaport Village**, the **Headquarters**, and also the **Navy's aircraft carriers** across the bay.

At the end of the tour, take your drink voucher to the **Top of the Hyatt** and enjoy breathtaking floor-to-ceiling panoramic views of San Diego from the top of the tallest waterfront hotel on the west coast.

And with that, you will have experienced America's Finest City in another light, something you won't soon forget.
