

ARIZONA-SONORA DESERT MUSEUM

*Unlike any other
museum in the world!*

ZOO • BOTANICAL GARDEN • AQUARIUM
NATURAL HISTORY MUSEUM • ART GALLERY AND MORE!

Nestled within the lushest desert on Earth,
explore the **Sonoran Desert** world of
Mexican wolves, road runners, saguaros,
javelinas, coatis, mountain lions,
hummingbirds, butterfly gardens,
iconic venomous lizards, and snakes.
A cave, mineral collection, aquarium and
art gallery make the visit unforgettable.

56,000 plants • 16 individual gardens

DON'T MISS RAPTOR FREE FLIGHT!!!

Stand in the flight path
as native birds-of-prey
fly so close you can feel
the brush of feathers.

*(Seasonal: Mid-October
through late March)*

**TOP 10
MUSEUM
IN THE U.S**

230 animals • 3 animal demonstrations

open daily year round

Get "buzzed" by four species of hummingbirds in the walk-through aviary. Witness courtship, nesting, and chick-fledging January through May. Then explore the Earth Sciences' limestone cave to see stunning gems and minerals found in the region.

Discover how freshwater rivers and the Gulf of California influence the Sonoran Desert at our Warden Aquarium. Adults love the seahorses, kids love the touch tank!

tips for a great day at the Museum

The sun shines most days so bring a hat, sunscreen, refillable water bottle and wear comfortable clothes and shoes.

For their safety pets are not permitted on grounds or left in vehicles. *(Service animals permitted)*

Check the Plan Your Day board for daily activities including animal feedings, interpretive stations, and keeper encounters.

For daily tours, programs, and special events visit the Museum's website prior to visiting.
