1-Day & 2-Day Whitewater Rafting in the Grand Canyon!

Grand Canyon West is wholly-owned by the Hualapai Tribe. In 1988, the Hualapai Indian Tribe, which has occupied the land since 1883, established Grand Canyon West, welcoming millions of visitors each year to tour the area, including Hualapai Lodge, Hualapai Ranch, Hualapai River Runners and Grand Canyon West. The Grand Canyon Skywalk was built in 2007. The Skywalk is a glass, horseshoe-shaped bridge that enables visitors to walk beyond the canyon walls at Grand Canyon West, suspending them 4,000 feet above the riverbed and providing an unparalleled view of this natural wonder. Voted one of the world's best observation decks.
