STAGE COACH RIDES

THE STAGECOACH

Come take a ride on our historic stagecoach and experience the ways of the old west. Ride on the original Stagecoach Road that ran from Phoenix to Cave Creek. Our authentic stagecoach will be pulled by one of our beautiful draft horse teams.

You will view incredible desert flora like: saguaros, barrel cacti, chollas, and might even see some wildlife like hawks, coyotes, javelinas and more. This enjoyable ride lets you feel like you are in the old west!

COWBOY COOKOUTS

With 8 people or more you can reserve an authentic cowboy cook-out and experience either a Stagecoach Ride, a guided Horseback Ride, or a Hay Ride through our beautiful Sonoran Desert. After your adventure you will enjoy the best cowboy chow west of the Pecos! Sit around the bonfire, tell tales of the Old West, sing some songs, and have fun roasting your own campfire S'mores.

If you would like to add entertainment, we have balladeers, story tellers, western photographers, dance lessons, and a lot more! Call us for your reservation.
