Downtown Phoenix is the epicenter of the 6th largest city in the USA. The identity of downtown encompasses fascinating green energy technology, multiple professional sports arenas, and a thriving University. With wide sidewalks that nestle up to sky scrapers which entertained the likes of President's JFK and Roosevelt, this tour is the only true urban adventure in Arizona. We also tour the artsy and hipster friendly part of downtown known as "The Roosevelt District".

This is a #1 Rated Tour in Arizona on TripAdvisor. Riding by the waterfront is a luxury, so people flock to this energetic recreational space. Perfect for first time riders, wide sidewalks make this tour route our easiest to navigate on a Segway. Voted by Google as Arizona's E-City of 2014 and used as a training ground for the nationally recognized Iron Man competition, this rapidly growing city has a youthful and upbeat vibe unlike any other space in Arizona.

*All tours include the use of a Segway PT, tour leader, training, helmet and memories that last a lifetime! Don't forget to bring a camera. All riders must be 16 years of age and weigh 100 lbs.
