*This tour achieved a #1 Rating in Arizona on TripAdvisor.* Riding by the waterfront is a luxury, so people flock to this energetic recreational space. Perfect for first time riders, wide sidewalks make this tour route our easiest to navigate on a Segway. Voted by Google as Arizona's E-City of 2014 and used as a training ground for the internationally recognized Iron Man competition; this rapidly growing city has a youthful and upbeat vibe unlike any other space in Arizona.

\* All tours include the use of a Segway PT, tour leader, training, helmet and memories that last a lifetime!  
Don't forget to bring a camera. All riders must be 12 years of age and weigh 100 lbs.
