AIRBOAT TOURS

We invite you to come to the bayou and experience for yourself the ride of your life in an airboat. You can take a lazy leisurely ride or a more adventurous "RIDE ON THE WILD SIDE". We have six passenger high performance boats that can reach speeds up to 60 mph. Our airboats can actually ride on the marsh and deep in the cypress swamp where no other tour can go. Or we can take you on a leisurely ride in a 15-passenger (United States Coast Guard approved) airboat that can run the shallows at 40 to 45 mph.

Our tour is just 25 minutes southwest of the New Orleans Airport. We travel to a quiet fishing village where time seems to stand still. Your guides (United States Coast Guard Captains) commercially fish alligators, crab, shrimp, and frogs. All are lifelong residents of the bayou. They are very knowledgeable of the ecology of the marsh. **We have been operating the tours since 1994.**

Discover one of the most unique and individualized swamp rides in Louisiana. **Minutes away from plantations. Great Cajun cooking locally. RV Park conveniently located next door.**

Call for availability. We accept travelers checks and all major credit cards. Children under 5 yrs are free and under 13 are \$10.00 less.

WE DO CUSTOM TOURS. WE OFFER HUNTING, CHARTER FISHING, SUNSET TOURS, AND KAYAKING.

Take Interstate 10 west from New Orleans (east from Baton Rouge). Exit at Interstate 310 (Exit 220) going south to Highway 90. Turn right on Hwy 90 and go approximately 8 miles (west) to Des Allemands. Go over the bridge past the Valero Truck Stop. Take the next left turn passed the canal after the truck stop and before the RV Park. (We are approx. 1/4 mile from foot of Des Allemands bridge).
