TAX FREE SHOPPING

for international travelers

World Class Shopping "Tax Free" for International Visitors in Louisiana. When making a purchase in one of nearly 900 tax free stores and showing a foreign passport or current official picture identification, the international visitor pays the purchase price, including sales tax, and is given a voucher, along with the associated sales receipt or invoice. Most of the major shopping centers in the New Orleans and Baton Rouge area are tax-free zones. To obtain the refund, visit the refund center at The Louis Armstrong International Airport, or by mail. You must present all vouchers and corresponding sales receipts, passport, and international travel ticket of less than 90 days duration. The refund is paid in U.S. currency up to \$500. Checks are issued on refunds over \$500.

To obtain a refund by mail, send the original vouchers and sales receipts, copy of travel ticket, passport and visa, if applicable, and a statement stating why vouchers were not redeemed at any of the refund centers and where the merchandise is now located to:
