

Welcome to Harlem specializes in organizing customized tours that meet the distinct desires of our clients. Come for a few hours or the whole day and take home treasured memories. We will show you a slice of Harlem you never knew existed! Our unique itineraries open doors to cultural, artistic, culinary, musical, religious and historical venues unknown to our competitors. Because of our passion for the culture and people of Harlem, **Welcome to Harlem** can help you discover the true spirit of the black mecca.

Review

“Your tour was the absolute highlight of our trip, and I can’t thank you enough for it. We had tried a couple of others in past years and they didn’t come close to offering the kind of insight and understanding of Harlem that you gave us.”

Travel Guide :

Welcome to Harlem is the proud publisher of the *Harlem Travel Guide* the definitive bible to one of New York’s most fascinating places; too often overlooked by New York residents as well as visitors. The *Harlem Travel Guide* is your gateway to everything Harlem, no matter which area you choose to explore. The book covers all aspects of a visit to Harlem: from the most practical (accommodations, shopping, parking, transportation, where to mail that postcard) to the most erudite and entertaining diversions—historical sites, galleries, museums, theaters, tours, and nightclubs. With full-color maps, tantalizing nuggets of information, annual event calendars, and a myriad of useful tips, the *Harlem Travel Guide* will provide you with all you’ll need for an unforgettable visit.
