An illustration of a man with a beard, wearing a red sweater and blue pants, sitting in a light blue armchair. He is holding a paintbrush and a palette, painting a pink oval on the wall. The wall is orange with vertical stripes and has several animal portraits hanging on it. The portraits include a brown horse head, a grey moose head, a white bird head with 'X' marks for eyes, a grey duck with wings spread, a blue and white fish, and a grey donkey head with 'X' marks for eyes. In the foreground, a brown dog sits on the floor, looking up at the man. A small black mouse is on the floor next to the dog. To the right, a round fishbowl with a yellow fish sits on a dark wooden stand. A framed picture of a tiger hangs on the wall above the dog.

Living with Animals

They cuddle

up with us on the couch,

*crawl silently
through our walls,*

sit

on our dinner plates,

& more.

- From the **ancient outdoors** to our **modern living rooms**, discover how wild animals became our pets
- Travel the world with roaches, pigeons, and rats to learn how **humans created pests**
- **Eat virtual meals** in our diner from five different countries over the last 100 years
- **And lots more!**

Journey with us and discover all the surprising, unique, and inspiring ways that we live with animals. You'll find we're not human without them!
