Who we are

Flint Hills Christian School (FHCS) is an independent, non-profit, community supported school designed to meet the needs of the Christian community by providing a quality education from a Biblical perspective.

Our vision is to partner with Christian families to educate and inspire their children in the desire to love, serve and honor God as mature Christian leaders who will reach the world for Christ.

We believe it is our responsibility to create an environment conducive to learning as well as to promote Christian values extending beyond the classroom walls. We are not a replacement for the home or the church. Our ultimate goal is to equip and prepare well-educated, mature Christian men and women to best fulfill God's calling in their lives.
