

# THE DOWNTOWN EXPERIENCE™

POWERED BY THE RIDE

THE DOWNTOWN EXPERIENCE Powered by THE RIDE is a brand new multimedia historical adventure exploring Downtown Manhattan's most notable landmarks and neighborhoods. Featuring some of THE RIDE's signature performance interludes and enhanced with the advanced technology of our partner TimeLooper, THE DOWNTOWN EXPERIENCE is highlighted by the magic of Virtual Reality visualizations allowing visitors to travel back in time and re-live iconic historical moments.

## WHAT TO EXPECT ON THE DOWNTOWN EXPERIENCE:

- 90-minute multimedia historic adventure of Downtown Manhattan.
- Fun, original & informative music and videos that support our Storyteller's deeply researched historical narrative.
- Theater-style, side facing seating & floor-to-ceiling glass windows with panoramic views.
- Advanced audio/visual technology including 40 LCD TV screens showing footage of Downtown Manhattan.
- Enhanced with the magic of Virtual Reality you will experience moments that will lift your imagination out of your seat as you participate in George Washington's Inaugural, experience Black Tuesday 1929, fly to the astounding view of One World Observatory, endure an immigrant's passage across the sea, and more!
- Locations and iconic landmarks include South Street Seaport, Brooklyn Bridge, Governor's Island, Battery Park, New York Harbor plus Ellis Island and the Statue of Liberty, Battery Park City, 9/11 Memorial, One World Trade Center & One World Observatory, China Town, Wall Street, Federal Hall, and more!
