PRISON BREAK

A MILLION WAYS IN, ONE WAY OUT

The year is 1955. You've been wrongfully accused of a crime, and sentenced to life in prison without the possibility of parole. Your new "home" is a cell that once belonged to an inmate who disappeared without a trace...or did he? Some claim he escaped. Others swear he was murdered by the infamously cruel warden. But no one actually knows...can you escape before you suffer the same fate?

THE HEIST

MISSION: MARS

GETTING TO MARS WAS THE EASY PART

You've just landed on the red planet for an exploratory mission, but your spacecraft experienced some major damage on the descent. Unfortunately, there is a larger problem at hand: a fatal amount of cosmic radiation is heading towards Mars, which will cause serious damage to the control systems, making it impossible to get back home. You have exactly 60 minutes to repair your ship and launch if you ever want to see Earth again.

GOLD RUSH

SPECIAL OPS

IT STARTED AS A ROUTINE OPERATION

As the closest team of agents in the area, your group has been asked to investigate the Ansar market. The market is closed for the evening and is not known to be a criminal hotspot. However, your "routine check" ends up taking a quick turn and suddenly, the fate of the world rests on your shoulders. With no time to send backup, can you rise to the occasion and save the day?
