

# EAST VANCOUVER BREWERY DISTRICT TOUR

East Vancouver's brewery district is wedged between Vancouver's port & the multi-cultural neighbourhoods of Strathcona, Grandview - Woodlands & Hastings-Sunrise. A.K.A. "Yeast Van" we are a diverse group of breweries, a cidery & a distillery, operating within an eclectic community of small industry, independent businesses & artists studios. While we each have something different to offer, you will find us united in our passion for crafting some of the best beer, cider & spirits in the city.
