# How to get to MOV...

## By Bus

We're just one stop from downtown. Plan your route on [Translink.ca](http://Translink.ca). Take the #22, #2, or #32. Exit at Cornwall at Cypress. Walk northeast towards the water/mountains.

## By Car From Downtown

Cross the Burrard Street bridge (southbound); turn right onto Cornwall Street; turn right at Chestnut Street (this will be the first street). *There's ample pay parking available.*

## By Foot From Granville Island

Walk west along the seawall (20-30 minutes).

## By Trolley

The Vancouver Trolley Company has a hop-on, hop-off option that stops at MOV and other popular Vancouver attractions. *(Please note the trolley is not wheelchair accessible).*

## By Ferry

False Creek Ferries is a fun way to get to here from downtown and other destinations along False Creek. They drop off on the shore of Vanier Park. Just walk southeast to reach our building.
