LIKE NO PLACE ON EARTH

No trip to Vancouver would be complete without a visit to the H.R. MacMillan Space Centre. Founded in 1968, the Space Centre features a multitude of all things space. It will delight and amaze the entire family.

Explore the wonders of the night sky through our ½ metre Cassegrain telescope in the Gordon MacMillan Southam Observatory.

Immerse yourself in a journey through the universe in Vancouver's only Planetarium Star Theatre. Experience planets, nebulae, black holes, and countless other astronomical wonders.
