SHERATON
CENTRE
TORONTO
HOTEL

The Sheraton Centre is pleased to announce that it has **embarked on a \$90 million renovation**, resulting in a floor-to-ceiling transformation of the hotel's 1,371 guest rooms and suites. The revival of the Canadian flagship Sheraton property brings a fresh look to guest rooms with rich colors, graphic patterns and clean lines inspired by Sheraton's brand design.

This comprehensive refurbishment is slated for completion in 2015. The completed renovation will include full guestroom and suite renewal, as well as replacement of all floor and wall finishes in public corridors and hallways. As a part of the re-design, the hotel is adding two new guest rooms bringing the total room count up to 1,373.

Additional features include:

- Wall-mounted 50" flat panel televisions in all guest rooms and suites.
- All-white Sheraton Sweet Sleeper® bed, designed to meet AAA's Five Diamond Award® criteria.
- Completely renovated bathrooms featuring low-flow toilets, shower heads and faucets reducing water consumption throughout the building. Some of the renovated bathrooms will feature walk-in showers.
- An energy efficient, Variable Refrigerant Flow HVAC system which allows guests to control the thermostat in their room, providing personalized comfort regardless of the season.
- Technologically-enabled guestrooms featuring wired and wireless Internet platform

The hotel has completed a \$13 million retrofitting of all guest room windows helping to reduce energy consumption and making the hotel more energy efficient overall, further reinforcing the hotel's commitment and focus on reducing energy consumption by 30 percent and water consumption by 20 percent by the year 2020.

Additionally, the hotel recently completed renovations to its meeting space, refurbishing the meeting rooms on the Mezzanine and 4th floor as well as expanding to more than 130,000 sq. ft. with the addition of the Provincial and Willow Ballrooms.
