# Visit Cochise County... the Land of Legends.

Cochise County was once the stomping grounds of Lawman Wyatt Earp, Sheriff John Slaughter, Conquistador Francisco Vázquez de Coronado, Mexican Revolucionario Pancho Villa, and Chiricahua Apache Leaders Geronimo and Cochise. Relive their remarkable legacy as you explore the **Land of Legends** located in the southeastern corner of Arizona. Ranchers, miners, outlaws and the women who loved them forged the American West in Cochise County.

Connect with nature in our rugged sky islands and riparian habitats. Horseback riding, hiking and recreational opportunities. Explore caves or one of our ghost towns. Have a glass of local wine, stargaze or capture a magnificent sunset. Abundant sunshine year round. And, don't forget your camera!

Experience history and more in Cochise County, truly the **Land of Legends!**
