FOLLIES: ARCHITECTURAL WHIMSY IN THE GARDEN

April 1, 2018–January 6, 2019

Something new is coming to the Winterthur Garden! Escape into the **imaginative world of garden follies**, Winterthur's first-ever exhibit of whimsical and classic garden structures.

Thirteen fantastic structures await **discovery and exploration**—from a Gothic-inspired tower, an Ottoman tent, and neoclassical follies to a Chinese pavilion, American summerhouses, a faerie cottage, and creative contemporary follies—all set within Henry Francis du Pont's majestic garden.

Whether by foot or tram, plan for **outdoor adventure with a twist of fun!** Narrated tram tours will depart from the Visitor Center. The walking one-mile loop will take approximately 45 minutes at a leisurely pace. Wheelchair and stroller accessible. *Included with admission. Members free.*
