

The Pizza Patio

Our pizzas are Old World Italian Style using authentic recipes brought back from Florence.

The tomato sauce is not pureed, it is hand crushed. The tomatoes that we use come from Furmano in Northumberland, PA. The herbs are grown on our property.

The Crust is a semolina based dough that is hand stretched. The crust should be crisp, chewy, and will be burnt on the edges. Some people love it and other leave it and enjoy the rest of the pizza.

Our fresh mozzarella is made in-house using fresh cheese curd and kosher salt.

We use local hard woods to power our Pizza Oven. There is no gas used and our pizzas cook for 2 minutes at 800-900°.
