## A HOLIDAY TRADITION LIKE NO OTHER

From December 14 to 19, E.T.A. Hoffman's timeless fairytale comes to life on stage at The Centre in Vancouver. Join Clara and her Nutcracker, as they embark on a journey to battle the evil Mouse King and his army of mischievous mice through the Land of the Snow and Lemonade Sea, and arriving at the Kingdom of the Sugar Plum Fairy.

This year, Goh Ballet's *The Nutcracker* will feature **Principal Dancers Jerome Tisserand and Elizabeth Murphy** of the **Pacific Northwest Ballet** with artists from the **National Ballet of China** alongside more than 200 local and international dancers, performing to choreography by Emmy award-winning visionary, Anna-Marie Holmes, with live musical accompaniment by the **Vancouver Opera Orchestra**.

*"The Nutcracker has the kind of sets and amazing costumes you'd expect to see in a touring Broadway show."*

— THE VANCOUVER SUN

*"With its scenes of dancing snowflakes, bears, and sweets, The Nutcracker speaks to the child within, never failing to cast a spell."*

— DEIRDRE KELLY, DANCE CRITIC, CRITICS AT LARGE

*"Across the world, Goh Ballet has garnered a reputation as a company that pursues excellence onstage, highlighting the very best of its performers. This holiday season, we are honoured to perform in Vancouver alongside some of Canada's best talents, to choreography by the incomparable Anna-Marie Holmes, and we look forward to mesmerizing the crowds with this classical rendition."*
