## WINTER WHALE WATCHING

Get a glimpse of the longest mammal migration in the world, when approximately 20,000 Gray Whales pass San Diego on their annual 10,000-mile round-trip journey from the Bering Sea to the lagoons of Baja California.

### Twice Daily Trips (October-April)

Weekends only until Nov 26

9:30a.m. or 1:30p.m.

## WHALE & WILDLIFE ADVENTURES

On this 5-hour cruise, witness Humpback, Fin, and even Blue Whales—the largest animals to ever live on Earth—at their summer feeding grounds. Aquarium naturalists will lead the search for whales, dolphins, sea lions, sharks, and seabirds on this unforgettable expedition.
