Wines*

RVVA Mission:

To promote, protect and enhance the Ramona Valley AVA, our wines, vintners and community.

Visit us at: www.rvva.org to learn more about the Ramona Valley Wine Region and the folks behind the handcrafted wine movement in San Diego County.

One of San Diego County's best kept secrets is the growing number of world class, award winning wineries and tasting rooms in the San Diego foothills. We offer many of your favorite varietals as well as those unique to the region.

Please come share an experience of warmth, family and unforgettable ambiance.

We invite you to be a part of our family to see why the Ramona Valley foothills and Highland Valley Wine Country are becoming the wine tasting destinations of choice.
