It's all Around the Square

What words best describe Marietta? Is it charming or quaint as in its downtown square? Is it historic as in its many Civil War and heritage sites? How about hip for its dining, shopping and theatre? Or could it be artsy because Marietta has a vibrant art scene? Mariettans are passionate about their city and have as many words to describe it as in the population. Let us show you our beautiful town and maybe you'll come up with your own description.
