f #SEDONAAIRTOURS 

SAFETY is our #1 priority at Sedona Air Tours. We have been operating in the Sedona area for over 20 years. All aircraft equipment is inspected and maintained under FAA Part 135 regulations. We are a fully insured licensed air carrier and Sedona Air Tours combines the top of the line of aircraft, pilot training and maintenance.

PILOTS Sedona Air Tours employs commercially rated pilots with thousands of flight hours of experience. Our pilots are your tour guides of the sky and will share their vast knowledge of the scenic Sedona area and Northern Arizona with you.

DIRECTIONS

Turn off 89 A onto Airport Road, proceed to top of hill through the 4-way stop and continue to the Sedona Air Tours RED RESERVATION CENTER on your left, next to the Mesa Grill Airport Restaurant

1225 Airport Rd. Sedona, AZ 86336

Sedona Air Tours reserves the right to cancel or change any tour schedules or prices and substitute routes as necessary. Some flights require MINIMUM passengers. Other applicable fees may apply. Sedona Air Tours requires a notification of cancellation 24 hours prior to departure or a 50% charge will be incurred. Flights are operated by Solid Edge Aviation - EOGA155J
