# THE AUTOBAHN DIFFERENCE

The thrill of auto racing isn't measured by cost or place, but by the experience felt behind the wheel. At Autobahn, we put our focus beyond the standard county fair go-karts and into the details that make our vehicles the premier kart-racing machines in the country.

- **ELECTRIC ITALIAN PRO-KARTS**  
Inspired by Formula 1 racing, customers can drive up to 50 MPH while handling with delicate precision.
- **PROFESSIONAL TRACKS**  
Indoor, air-conditioned tracks built with hi-tech barriers and a fully integrated system of scoreboards, monitors and timers.
- **RACING LEAGUES**  
Competitive league-based racing at the adult, junior and youth levels.
- **TRAINING CLINICS**  
Public and private training clinics.
- **SCOREKEEPING**  
Printed score sheets and a detailed online collection of records and rankings.
- **ENGAGING ENVIRONMENT**  
A comfortable surrounding that offers television, tables, food and drinks.
