BIG BUS MUIR WOODS TOUR

Hop on board a Big
Bus Muir Woods Tour

Experience the awe and wonder of one of California's oldest redwood groves as you stroll through dedicated paths of 1000-year-old redwood trees.

Begin on a 45 minute fully narrated, scenic drive that heads across the iconic Golden Gate Bridge and into coastal mountains on the Marin Headlands. Arrive at Muir Woods National Forest where you will be provided park entry tickets and have 1.5 hours to self-explore the park. Maps detailing walking trails will be available at the park's visitor center.

After exploring the park, enjoy the scenic drive to the coastal town of Sausalito. This beautiful seaside Mediterranean-style town offers a wide selection of distinctive boutiques, restaurants, parks, cafes, and unique art galleries. Guests may choose to depart in Sausalito and return on their own or remain on the bus and return to designated drop off points within San Francisco.
