# Let's go parasailing!

Safe, easy & fun! Take off and land directly from the boats flight deck.

Anyone can do it. If you can sit, you can fly!

Sail on a NEW 15 passenger "state of the art" parasailing vessel.

Fly up to 1,000 ft over the Puget Sound.

We fly tandems & triples side-by-side for ultimate fun in the sky.

Stay dry. Only get wet if you want the "dip" in the water during the ride.

Observers welcome.
