

Discover the Power of Science!

Your adventure is just beginning. Explore it all at Frost Science, a museum for all ages and interests. Join us in our commitment to environmental conservation, animal care and rehabilitation, STEM education and research.

Get up close and personal with a **30-foot dinosaur**, the *Yutyranus huali*.

Discover an outdoor and indoor **virtual Everglades** in the *River of Grass* exhibition.

Explore **the energy of the sun** on the museum's rooftop terraces.

Glimpse into the past and discover **treasured specimens** and objects.

Talk to scientists working on solving some of the 21st century's scientific challenges.

..... **And so much more!**

Aquarium

Descend into the thrilling depths of the museum's three-level Aquarium, where you'll touch a stingray, come face-to-face with hammerhead sharks, take in the wonder of jellies and more.

Afterwards, snap a pic in front of the iconic 31-foot Gulf Stream Aquarium oculus—the ultimate selfie!
