Tin Roof is about giving musicians a place to play and a place to hang when they aren't onstage. The tasty food, fun, eclectic environment, community of Regulars, and friendly Crew have established the Roof as the place to be for musicians and non-musicians alike. Over the years, our stages have hosted the famous, the should have been famous, and everyone in between!

So whether you're coming for the tunes, the food, the drinks, or just a good time, enjoy the Roof, 'Where Everybody is Somebody'! Support live music and the musicians who bring it to us, and we hope we'll see ya enough to call you a Regular!
