## About Alberta Main Street

Alberta Main Street is a neighborhood nonprofit that works to advance Alberta Street as a vibrant, creative, sustainable, and equitable neighborhood commercial district. Founded in 2010, we are part of a national network of urban Main Streets.

Our volunteers drive our Promotions, Design, Business Development, and Organization Committees, running neighborhood events, supporting small businesses, sponsoring neighborhood clean up and anti-graffiti initiatives, managing the Matching Mini-Grant program. Become a business mentor, write a blog post, support the Alberta Street Fair, or share your own ideas.
