

WHO ARE THE FRIENDS?

"Friends" groups are found at many national parks, raising awareness and appreciation for these special places while helping to provide educational and interpretive resources to enhance the experience of the visitor.

Established in 2009, the Friends of Flight 93 is the official non-profit partner of Flight 93 National Memorial. The organization has a national membership and includes family and friends of the passengers and crew of Flight 93 as well as people across the country who have been inspired by their selfless acts of courage. Together, the group works to preserve their memory for future generations.

You, too, can be a Friend.

As Friends, we welcome worldwide all who would join us in honoring the sacrifice and courage of the passengers and crew of Flight 93 by supporting the mission of Flight 93 National Memorial with volunteers, resources, and civic engagement so as to inspire all who visit with the Flight 93 story.
