

**Ways to Support the Memorial**

**Buy a Brick** – Purchase a personalized brick in the name of your Veteran, business, organization or family to last for generations to come. See other side for order form.

**8X8 or 12X12**

**Capital Campaign** – The project design offers a variety of exciting naming opportunities on both existing structures and future additions to permanently commemorate your support at the Memorial.

**Operating Fund** – We invite you to partner with us on this endeavor for the operations and maintenance in order to keep the Memorial open to visitors 365 days a year. 100% of your donation will go to the upkeep of the Memorial.

**Educational Program** – The educational component will blend the historical information engraved on the Memorial with electronic kiosks, programmed with videos and carefully prepared historical content, which will be dynamically presented.

**Please check the box above to specify the campaign for your donation. Thank you for your support. Please fill out the reverse side for all brick orders.**
