Day Out With Thomas™

See the world-famous Amish Country in a unique way at America's oldest operating railroad! Tucked in the heart of beautiful Lancaster County and operating since 1832, history comes alive on your fully-narrated, 45-minute excursion steam train ride through 1,000 acres of picturesque countryside.

Enjoy the scenery and family fun as you ride in one of our beautifully restored train cars being pulled by one of our historic steam engines on your 9-mile roundtrip journey to Paradise, Pennsylvania. Rediscover the past and create a memory for the future at the Strasburg Rail Road!
