EXPLORE LIFE UNDERWATER

ABOUT US

Adventure Aquarium is just minutes from downtown Philadelphia on the Camden Waterfront and features one-of-a-kind exhibits with more than 8,500 aquatic species throughout two million gallons of water.

The Aquarium is home to the largest collection of sharks on the east coast, including the only great hammerhead shark on exhibit in the United States. We are the only aquarium in the world to exhibit hippos and just one of a few facilities in the US to showcase little blue penguins. Adventure Aquarium is an accredited member of the Association of Zoos and Aquariums and is held to the highest standards in animal care and exhibition.

Open 365 days a year, from 10:00 a.m. to 5:00 p.m. Please check our website for schedule changes.

AN OCEAN OF DISCOVERY

SHARKS

No one does sharks like Adventure Aquarium! Explore our Shark Tunnel, a 40-foot suspended walkway surrounded by sharks. Dare to cross Shark Bridge, the longest V-shaped rope suspension bridge in the world where you walk just inches above the largest collection of sharks on the east coast. Touch some of our smaller sharks in our Touch A Shark exhibit. We are home to over 15 species of sharks, including the only great hammerhead shark in the US.

HIPPOS

Immerse yourself in Hippo Haven, where you'll meet Nile hippos Button and Genny as you view them underwater, where they are most at home.

PENGUINS TIMES TWO!

The African penguins and adorable little blue penguins both call Adventure Aquarium home. Explore both locations, Little Blue Beach and Penguin Island, and connect with our colonies as you watch them swim, frolic and play together.

SEA TURTLES

Ocean Realm is where you will see our massive sea turtles, including local favorite Bob, a female loggerhead turtle that often greets guests from the front viewing window. Adventure Aquarium also participates in a sea turtle rehabilitation program in partnership with the North Carolina Aquarium at Pine Knoll Shores.
