MOUNTAIN STATS

- VERTICAL DROP:** 1,750' (Attitash), 1,450' (Bear Peak)
- SUMMIT ELEVATION:** 2,350' (Attitash), 2,050' (Bear Peak)
- SKIABLE ACRES:** 311 Acres
- TRAIL MILEAGE:** 23 Miles
- 68 TRAILS:** 27% Easier, 44% More Difficult, 29% Most Difficult
- TERRAIN PARK AREAS:** Myth Maker, Kachina, Bear Bottom
- SNOWMAKING:** 98% Coverage
- TREE SKIING:** 60+ acres of glades
- 9 LIFTS:** 2 detachable quads: Flying Yankee & Flying Bear, 1 fixed grip quad: Abernaki Quad, 3 Triples: Summit Triple, Learning Center, Kachina, 2 Doubles: East & West Double-Double, 1 Surface lift: Snowbelt

The U.S. Trail marking symbols are used to indicate the degree of difficulty. Because trail layout, terrain, weather, etc. varies between different ski areas, the symbols used are relative to each mountain only. A novice trail at one mountain may be an intermediate trail at another. When in doubt, ask.

YOUR RESPONSIBILITY CODE

The provisions of N.H. Rev. Stat. Ann., Title XIX, Section 235 et. seq., govern the responsibilities of all skiers, riders and guests and are incorporated herein by reference. Skiing and snowboarding can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross country and other specialized ski equipment, such as that used by persons with disabilities or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

- 1) Always stay in control.
- 2) People ahead of you have the right of way.
- 3) Stop in a safe place for you and others.
- 4) Whenever starting downhill or merging, look uphill and yield.
- 5) Use devices to help prevent runaway equipment.
- 6) Observe signs and warnings, and keep off closed trails.
- 7) Know how to use the lifts safely.
- 8) Uphill travel of any kind, such as but not limited to, hiking, snowshoeing, and skinning is prohibited.
- 9) Use of the mountain during the winter operating season is prohibited outside of regular operating hours.

SHOW GUARANTEE

Attitash Mountain Resort's snow conditions are guaranteed. If you're not completely satisfied with the trail conditions, simply return your ticket to Guest Services within one hour of purchase and we'll give you a Snow Check good for another lift ticket valid that season at Attitash. Not valid for early/late season, special discount promotions, or afternoon tickets.

SKI BOUNDARY & TREE SKIING POLICY

- 1) Trees and backcountry areas beyond Ski Area Boundary are not maintained or patrolled by Attitash Mountain Resort.
- 2) Trees may contain hazards that will not be marked.
- 3) Trees are recommended for EXPERTS ONLY.
- 4) When you pass beyond the Ski Area Boundary, you leave the area of Ski Patrol Services. You are responsible for your own actions, your own rescue and the cost of your rescue.

This institution is an equal opportunity provider and is operated under special use permit with the White Mountain National Forest.
