With our **SNOWMAKING X2 Project** we've taken a bold unprecedented approach to ensure we have the Best/Most snow in New England — investing over \$2 million on improvements just for you, including:

- ❁ Doubling our pumping capacity from 4000 to 8000 gallons per minute — we can now cover 2 trails overnight with a foot of snow on each.
- ❁ Being more energy efficient - allowing us to make more snow overnight when temps are colder, rather than while you are skiing.
- ❁ Having over 40 computer-controlled HKD tower guns on our signature *Ralph's Run* trail that will monitor temperature and humidity — adjusting automatically to increase output and improve quality.

Combine Snowmaking X2 with this year's *Farmer's Almanac* snowy weather predictions — and this winter is guaranteed to be snowy!

We're keeping our SEASON PASS PRICES the same as last year; get yours now for the best savings!

*Increase is Oct. 12 for individual passes (doesn't include Senior or Weekend passes); Nov. 16 for groups of 4 or more.

**BONUS
OFFER**

Purchase your season pass by Oct. 2 and receive FREE festival admission per pass holder (includes *KidsFest*, *BBQFest*, *AppleFest*) and Skyride (also includes Columbus Day weekend) — **MORE THAN \$100 VALUE!**
