THE JERSEY CAPE

WELCOME TO THE JERSEY CAPE – A family friendly community located at the southernmost tip of New Jersey and home to some of the most beautiful beaches on the east coast. FISHING

SOME SAY THE CHARM OF FISHING is the pursuit of what is elusive while enjoying the beauty of nature's surroundings. This enjoyment is made easy at the Jersey Cape with new land-based fishing places like the new Avalon manor fishing pier. If you prefer to get out on the water, party boats, private charters and personal boat rentals are here to help you explore the calm back bays to the deep sea for half-day, or full-day excursions.

Whether it's your first time, or you're an experienced angler, a day of fishing awaits to help you enjoy this beloved pastime. Beneath the surface of our serene back bays and into the vast waters of the Atlantic Ocean lies a fisherman's dream, filled with sea bass, flounder, striper and blue claw crabs. Before you go, be sure to check with your boat captain or marina representative on size and catch limits of the fish and crabs that inhabit our local waters. ■

RESTAURANTS AT THE CAPE

CAPE MAY has often been called the restaurant capital of New Jersey because of the imaginative local chefs, fresh caught seafood, and locally grown vegetables. But superb service, tantalizing menu selections and stunning views abound from Ocean City to Cape May Point. Whether you are returning to your favorite place, or looking to find a new dining experience, it's easy to find one that will offer something tasty and enjoyable to everyone in your party.

Today, the eateries that comprise the local dining scene have enhanced their menus and renovated their restaurants for the enjoyment of patrons. In 2024, you'll notice that many of the popular, established eateries have transformed into new and even more delicious and comfortable places to gather the family for that much anticipated vacation outing.

Because Cape May County has so much waterfront real estate, many of the restaurants are located right on the water with views that you just can't get at home. Once you are seated, spectacular sunsets combine with sights of tranquil waterways to make it a one of a kind dining experience. Sprinkle in the delightful service and plentiful live entertainment and you have dining occasions you'll want to share with your family and friends.

Many restaurants offer wines from the local vineyards or brews made right here in Cape May County... it just doesn't get any better, anywhere. So, why make dinner when you could make reservations? ■

Now is the time. Cape May is the place.

CAPE MAY

"ON THE WAY TO CAPE MAY" - chances are you've heard the song and have visited this National Historic Landmark City that is the nation's oldest seaside resort. But like a catchy song that sticks in your head, visitors return to Cape May often because they seamlessly blend history with new and modern activities. Whether it was back in the day when the song was made, or today, the beautiful beaches are the main reason people come to relax, unwind, and enjoy a truly unique vacation experience.

Cape May is truly a resort for all seasons and a vibrant year-round destination. The holiday season is magical with decorated house tours, unique shopping and special events that put you in the spirit of the season. Romantic winter getaways to the cozy bed & breakfast inns with friendly hospitality will surely warm you up. Cultural activities historical tours and events of food, wine and song complete the calendar throughout the fall.

Like every town of the Jersey Cape, the summer season will always be the most popular because Cape May's beaches sparkle with white powdery sand and soothing sea breezes that provide the perfect place for families to gather for recreation and relaxation. Whether you like to sit and relax, walk to discover, bird watch, fish or search for Cape May diamonds, summer is the time for you.

For those who love nature, enjoy relaxing sightseeing on Cape May Whale Watcher cruises and Sunset Dinner cruises. Witness captivating wildlife in a beautiful waterside setting aboard these fully equipped cruise boats, offering stunning sights and sunsets.. If fishing is more your style, the boats of Cape May Harbor run trips for recreational anglers practically year-round. To see nature at its best, the tours and planned activities from The Nature Center of Cape May offer waterway kayaking, land tours, events and more to get you up close.

Cape May is alive year-round with award-winning special events and entertainment, so no matter when you visit, you'll find terrific theatrical productions, and events full of music, food and history. So come for the Exit Zero Jazz Festival April 19-21 and October 25-27, or the Harvest Brew Fest September 14th and Christmas in Cape May when the town sparkles with tours from Thanksgiving to Christmas.

No matter what the season, the town often called the restaurant capital of New Jersey, has a table waiting for you with superb service and tantalizing menu selections. Take in spectacular views while you enjoy fresh seafood from our local ports or enjoy American classics with a glass of locally made wines. ■

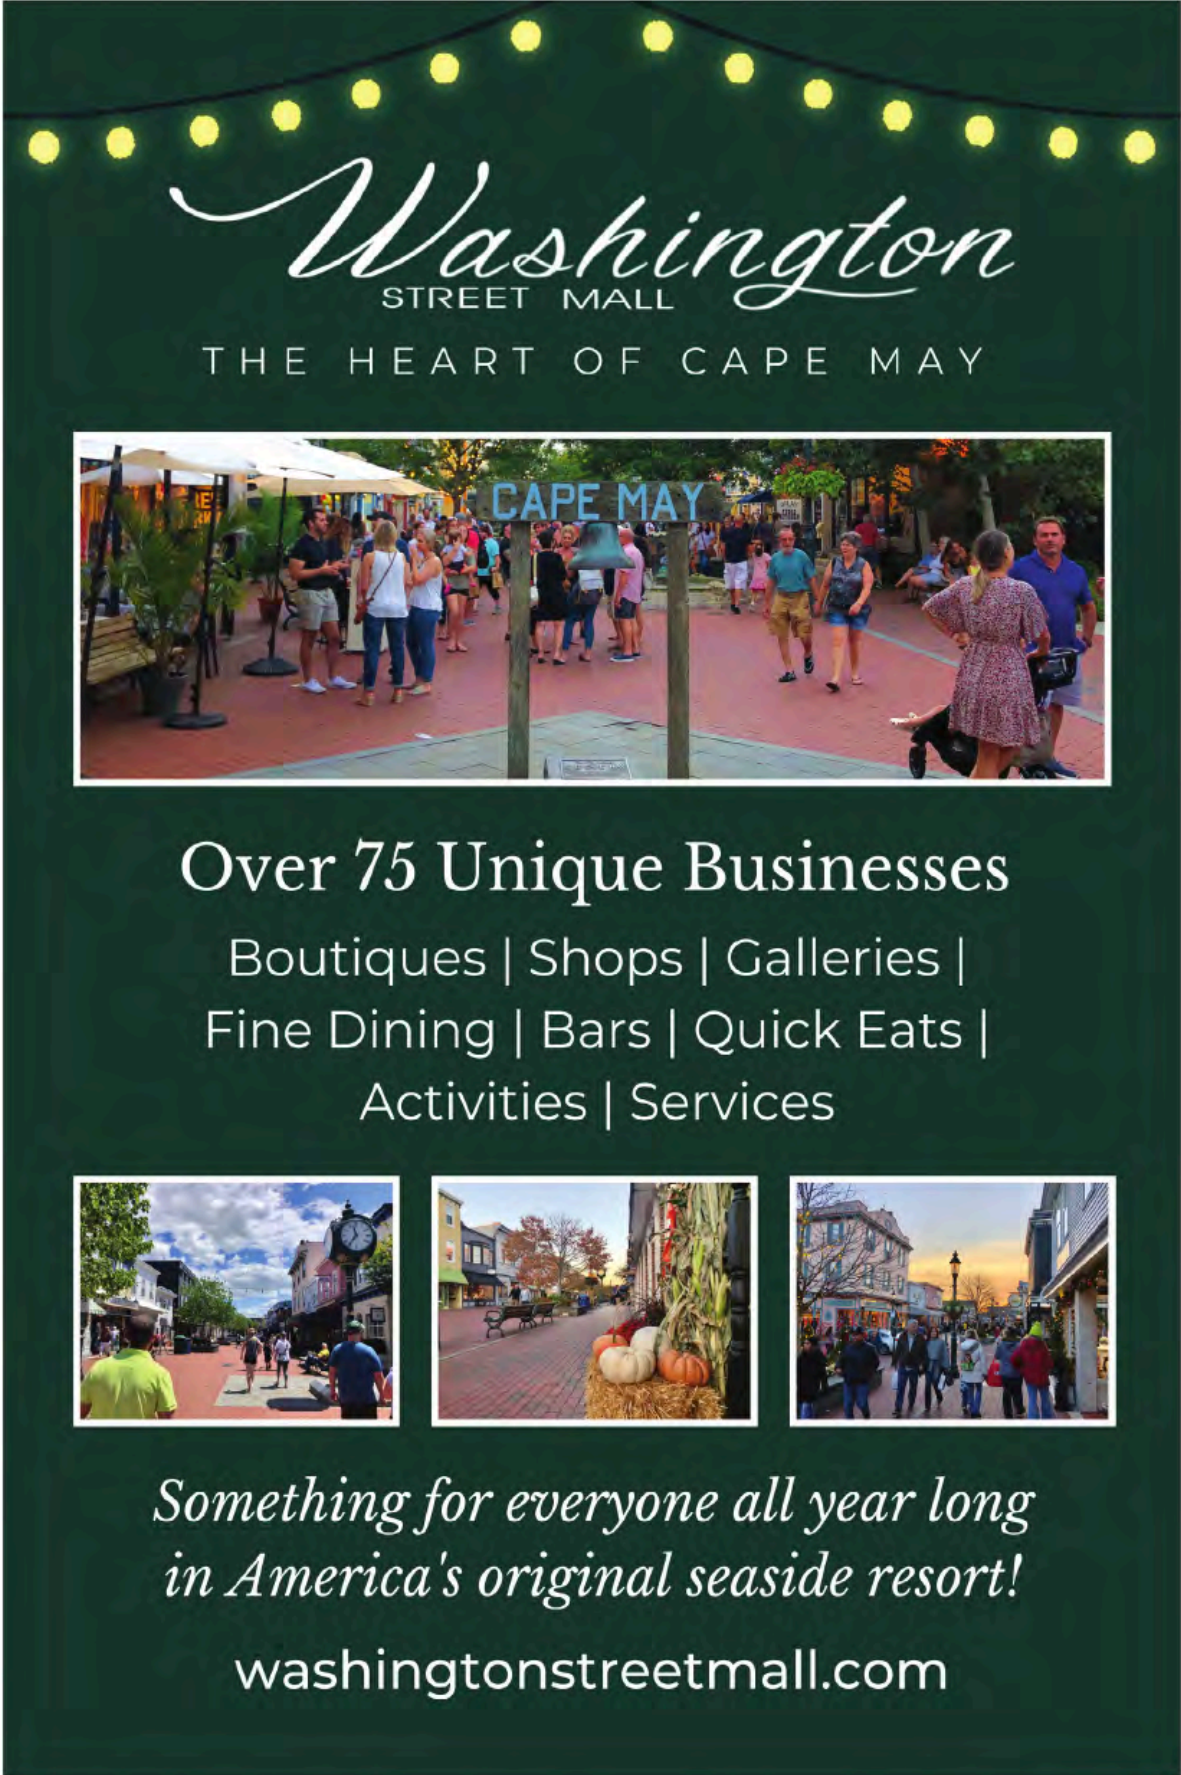

Cape May is often referred to as one of the most picturesque towns in America because of its amazing architecture, stunning views and completely unique settings. The Cape May Lighthouse that beckons visitors to climb its 199 steps to the top offers a perspective that carries for miles around. The ornate Victorian architecture found all throughout town can be seen by walking the quaint streets, by biking with friends, or even while relaxing along the beautiful beaches. Nestled among the beach views, streetscapes and aerial views are the farms of Cape May where visitors can enjoy the wonders of agriculture, do a bit of shopping, or stay for a farm to table meal in a setting that only Cape May can provide.

OCEAN CITY

OCEAN CITY will always be known as *"America's Greatest Family Resort"* as online voters have chosen it for the ninth consecutive year as *"New Jersey's Favorite Beach"* in a poll by the N.J. Sea Grant Consortium. This recognition is well deserved as the town continues to make its beaches, thriving boardwalk, beautiful back bays, diversified downtown shopping, and special events the standard for beach vacations.

Ocean City's beach experience with its miles long strand of gloriously clean, maintained beaches is the most popular place of this resort. This sandy oasis provides beachgoers options to be near the boardwalk shops and eateries, or quiet places to relax and enjoy the views of elaborate sandcastle sculptures and colorful sailboats on the horizon. Remember to purchase your beach tags early for the best prices and to be all set for a sun splashed vacation!

Ocean City's iconic boardwalk may be just as popular as the beautiful beaches with bikers and joggers in the morning, beachgoers during the day and amusement seekers and shoppers at night. Morning bike rides, afternoon pizza and amusement rides after dinner is how the lazy days of summer play out for many visitors. The historical gem of the boardwalk is the Music Pier an entertainment venue full of events, shows and concerts that compliments the unique eateries, fine merchandise, and amusement attractions.

Beyond the beach and boardwalk, shopper's will find a thriving downtown shopping district that is home to over 100 coastal-quiet shops and galleries including Stainton's Square a unique array of shops and exhibits. Ocean City's downtown is easy to walk, pedal, or drive in and offers mementos to necessities and gifts to apparel. Mark your calendar for the spring and fall Block Parties and themed shopping events throughout the year especially during the holidays.

Ocean City has always been known for their first-class recreational programs and special events. Recently, the town has become known for their race events that include a variety of distance and themed foot race events for all ages and abilities. In the summer, there are a vast number of recreation camps to keep the kids active and fully enjoying all that this special town has to offer. Be sure to mark your calendar for events like Martin Z. Mollusk Day, Freckles Contest, Summer Concert Series, Night in Venice, and First Night New Year's Eve Celebration.

Now you see why Ocean City was voted New Jersey's favorite beach! ■

An Ocean City vacation combines the very best of all the things that make up a great family vacation. The award-winning beaches are what brings people to this town known as “America’s Greatest Family Resort” and are the place where folks go to relax, play and take in the sights. This resort will keep you excited and entertained all vacation long while still offering quiet moments to spend with family in neatly preserved natural surroundings. After the beach, it’s the boardwalk that catapults the vacation into high gear and is the place where family memories are surely made. The boardwalk is full of family attractions from fun eateries and shops to amusement piers full of rides from kiddie to high thrill, but also a place for quiet morning bike rides.

Sea Isle City...
your vacation home away from home

SEA ISLE CITY

IF YOU ARE LOOKING for a vacation destination to reconnect with family and friends, look no further than Sea Isle City. In Sea Isle, they take hosting visitors seriously as they continually work to add new amenities, activities, infrastructure, and safety. This detail is noticeable as you enter town with beautiful scenery and a friendly Welcome Center. So get ready to enjoy pristine beaches, family entertainment, nature at its finest and fantastic restaurants.

Having selected a vacation rental home, condo, or cozy inn, visitors begin to plan ways to enjoy the abundance of family fun that awaits. Sea Isle's beautifully maintained beaches beckon visitors, but it's not long before folks turn their attention to enjoying the entertaining events, outstanding recreation, unique shopping and delicious dining within the resort.

Sea Isle City's miles of pristine beaches offer families an oasis for relaxation and a chance to dig their toes in the sand while the clear waters of the Atlantic provide soothing relief on hot summer days. In Sea Isle, beaches are organized for bathing, surf fishing, rafting and sailing with volleyball courts scattered throughout the beachfront.

Off the beach, the best way to enjoy all that Sea Isle offers is by visiting their unique version of the boardwalk known as The Promenade that runs along the beach in the heart of town. Here you can take a bike ride, a leisurely stroll, or do a bit of shopping. Perhaps most enjoyable is walking or biking the Promenade in the morning while pondering what to do and where to eat during the coming vacation day.

When you're ready for more family fun, Excursion Park offers some of the best entertainment at the Jersey Cape.

This hub of entertainment sits adjacent to the beach and Promenade and is home to many free events like Concerts in the Park, Farmer's Markets and the locally unique Skimmer Festival Weekend. Special events are not confined to the summertime as the reasons to visit continue throughout the fall.

Natural beauty surrounds Sea Isle and is not lost among the entertainment. Being an island makes it the perfect place for fishing, crabbing, kayaking and natural places to enjoy like Townsends Inlet Park where you can truly experience nature at its best.

So when you're ready to reconnect with family and friends, Sea Isle City is the place. ■

Sea Isle City is a fun filled beach vacation destination, but their main goal is for visitors to come and reconnect with friends, family and loved ones. The generational tradition of coming to this friendly town was produced by the memories made by spending quality time together while experiencing the unforgettable fun. The beautiful beaches are where these connections start, with all the games to be played, or by simple tender moments that can only be made in a place like this. On any given summer day, beachgoers may be delighted with the colorful sights and sounds of speed boats racing along the oceanfront or sailboats bobbing on the horizon. The Promenade is Sea Isle's version of the boardwalk and is a place for leisurely strolls, jogging, biking and places to stop and shop.

GET LOST IN THE MEMORIES

Everything you could ever want in a vacation is here.

THE WILDWOODS

IN THE WILDWOODS, there's something new to discover around every corner. Loyal visitors point to family traditions and the endless possibilities for family fun as the reasons they have so many fond memories of their visits to this iconic town. The soft sandy free beaches combined with all the things to see and do makes it a favorite for every age of visitor. It's no wonder that these memories continue to grow because the Wildwoods consistently receive New Jersey's top tourism awards for their caring efforts.

The Wildwoods have some of the most beautiful, wide, and free beaches found anywhere along the east coast. There are plenty of quiet places to relax, or you can get in the middle of all the sun splashed action. The beach is not just about suntans and relaxation, it's filled with exciting events like the International Kite Festival in May, the Barefoot Country Music Fest in June, where some of the biggest stars take to the stage right on the beach. Special events happen all year with gems like The Race of Gentlemen' Vintage Car & Motorcycle Beach Drag Races, Irish Festival, and the Wildwoods '50s '60s & '70s Weekend.

Complementing the beach tradition is the legendary two and a half miles of the Wildwoods boardwalk that overlooks the glorious beach. From Spring to Fall, this icon of the Jersey Cape is full of activity with spectacular amusement piers, world-class roller coasters, waterparks, shops and eateries. The boardwalk's anchor attraction is Morey's Piers, a world-class attraction full of amusement rides for all ages, two water parks, and plenty of food, beverage and games. The entertainment mecca of the boardwalk is the Wildwoods Convention Center, the beachfront host of many of the best special events, concerts, exhibits and scholastic sports. When exploring the Wildwoods boardwalk be aware as you may be reminded to...*"please watch the tramcar"*

Added to the memorable days on the beach and exciting nights on the boardwalk is beautiful Byrne Plaza in Downtown Wildwood, featuring entertaining events of music, shopping, food and more. All the family will want to relax and dine at one of the many unique restaurants serving the freshest seafood, artisan menu creations and the best views. Completing the vacation experience is a vast watersports scene, with exciting parasailing, waverunners and sightseeing, or relaxing kayaking, fishing, and crabbing.

The Wildwoods invite you to come and get lost in the memories! ■

Today, with everyone having a handheld camera, it's most important for vacation destinations to provide unique places to take family pictures and the Wildwoods do not disappoint. Whether you want to capture a quiet moment of your children on the beach, or a quirky place to show off to friends, it can all be found here. The amazingly clean free beach is the place families first start to dig into their vacation, but they soon move up on the boardwalk where the amusement piers with so many classic and unique rides and attractions become a must do vacation experience. A Wildwoods vacation is not all beach sand and neon lights as there are many quieter places to enjoy nature, scenic gardens, and historical places. This year, come to the Wildwoods and get lost in the memories.
