35 Days of Holiday Fun!

THE CHRISTKIND

The Christkind, a fairy-like being dressed in sparkly robes with a crown upon her golden locks, is the namesake of the Christkindlmarket Chicago. Christkind folklore dates back

to the 1500's and stems from traditional customs. Parades during the holiday season were guided by one "grand" marshall, the Christkind. Since then, and 'til today, she is the bearer of gifts to most children in German speaking countries, much like Santa Claus is in the United States. Visit on Wednesdays and Saturdays from 2 pm-4 pm to catch a glimpse of the Christkind, and perhaps even get a photo with her!

PASSPORT CONTEST & ACTIVITY BOOK

Stop by any participating vendor (marked on the listings with a 🌣) or at the Grand Timber Haus to pick up a Christkindlmarket Passport! Explore the market by participating in the passport stamping contest and be entertained by the fun activities inside.

LANTERN PARADE

The tradition of St. Martin is celebrated in Germany by families and children to honor all good samaritans. The Christkindlmarket welcomes families to celebrate by participating in the Children's Lantern Parade on December 2, in which children illuminate lanterns and parade around the market plaza while singing German and American Christmas carols. Make your own lantern or purchase one. Registration and lantern making at 4:30 pm, Parade begins at 5 pm.

The Kinder Club is your go-to resource for family friendly activities at the Christkindlmarket Chicago.
