## Nantucket Super Saver Automobile Rate

### Save Time and Money with our Super Saver Auto Rate

Ten vehicle spaces are set aside on certain under-utilized trips: generally the last trip in each direction on Saturday nights from January through mid-June; the last trip on Mondays, Tuesdays and Wednesdays from mid-June through mid-September; and the last trip in each direction on Saturday nights from mid-September to January 4, 2017.

The Super Saver Automobile rate is limited to vehicles and small trucks under 20 feet in length (rental car companies and vehicles used for commercial purposes are not eligible); is available on a first-come/first-served basis, up to the day before sailing; and can be used on an earlier trip but only on the same day on a space available basis after all revenue-generating vehicles have been loaded.

These spaces can be reserved at the following discounted rates:

January 1 – March 31, 2016	\$79.00 one-way
April 1 - October 31, 2016	\$109.00 one-way
November 1, 2016 – January 5, 2017	\$79.00 one-way

Any vehicle that has an extended load beyond front or rear bumper will be charged \$37.50 each way. *This charge applies only to those vehicles whose overall length (including extension) exceeds 17 feet.*

Super Saver Automobile spaces may be reserved online, or by calling (508) 477-8600 or in person at the Ticket Office.

*The Super Saver Auto Rate will not be available in one direction or both directions, during certain vacation, holiday and other high traffic periods.*
