THE ONE AND ONLY CONEY.

Coney Island is a true original with even more excitement this season. The Thunderbolt Roller Coaster, the first new roller coaster in Coney Island since the Cyclone was built in 1927, enters its second year for thrill seekers and coaster enthusiasts to enjoy. The first coaster of its type, it's not to be missed! Luna Park is back with 30 fun, family-friendly rides including the recently restored 109-year-old B&B Carousel. Also, enjoy some all-time favorites including the NYC Landmark Deno's Wonder Wheel and Cyclone Roller Coaster, Brooklyn Cyclones baseball at MCU Park, the original Nathan's Famous, the WCS New York Aquarium, fine dining at Gargiulo's Restaurant, the Boardwalk, many other eateries, shops and amusements and last but not least, the beach. Coney Island—It's always fun in the sun, and then some.
