The Tall Ship **“KAJAMA”**

This is your chance to sail aboard a traditional 165' three masted Tall Ship. Only in the Caribbean can this be duplicated. On the deck of Kajama, sit back and relax for a sail, while enjoying a cold drink from our fully licensed bar. Kajama is a piece of living history. Launched in 1930 as a commercial sailing ship, she traveled the waters of Europe until her arrival in Canada in 2000.
