A one-of-a-kind city deserves a one-of-a-kind experience

The Chicago Architecture Foundation (CAF) River Cruise aboard Chicago's First Lady Cruises is the #1 architecture tour in the city for two reasons: the best guides provided by the Chicago Architecture Foundation and the best boats provided by Chicago's First Lady Cruises. CAF's volunteer guides, called docents, are passionate about Chicago's architecture and are required to complete hundreds of hours of graduate-level training before being certified to lead CAF tours. As a non-profit organization, CAF inspires people to discover why design matters through public programs, youth education, exhibitions and more than 85 walking, bus, bike, train and boat tours of the city.
