Come & explore. Lace up your boots, get on your bike – or slip on your cross country skis.

# Trails & Adventure

With so many four-season, multi-use trails, Northumberland is a top outdoor destination. Gently rolling hills and spectacular vistas provide a real breath of fresh air.

\*Trailhead signage has a Quick Response (QR) code for scanning with your smartphone to load a map.

## Symbols Key/Legend

All trails listed here are identified on the map by their corresponding numbers. The legend below identifies what each trail has to offer.

	Hiking		ATV Dirt Bikes
	Roller Blading		Snowmobiling
	Skiing		Wheelchair Accessible
	Snowshoeing		Picnic Shelter
	Benches		Washrooms
	Cycling		Map Available
	Horseback Riding		User Fees May Apply

### 01 Ganaraska Forest

Visit this magnificent 4000-hectare, multi-use area with over 300 km of trails passing through sandy, rolling terrain typical of the Oak Ridges Moraine. Nature study, photography and orienteering are popular here.  
905-885-8173 • 905.797.2721 (Forest Centre)  
GanaraskaForestCentre.ca

### 02 Spartan Ravine Trail

This network of trails begins in Port Hope at Jocelyn St. (look for trailhead on south side) west of Crossley Dr. It connects with the Ganaraska Hiking Trail.  
888-767-8467 (Port Hope Tourism)

### 03 Ganaraska Millennium Conservation Area

Try this conservation area featuring approximately 2 km of meandering trails with interpretive signage. Roam around the old Molson Pond area, now a marsh with some open water components, located along the Ganaraska River.  
905-885-8173 • grca.on.ca

### 04 Ganaraska Hiking Trail

You will hike varied terrain, including rolling and rocky sections (when off road), along this celebrated 500-km route. The trail starts in Port Hope and joins with the Bruce Trail near Glen Huron. A map is recommended.  
888-767-8467 • ganaraska-hiking-trail.ca

### 05 Majestic Hills Trail

Pass through groves of sumac, pine and maple trees on this 1.5-km trail. Highlights include crossing a sandy creek and an optional, steep climb to the top from the valley for commanding farmland views.  
905-342-2810 (Hamilton Township)

### 06 Laurie Lawson Trail

Experience as many as 5 looped trails, each up to 1-km long through diverse habitats, including wetlands and forests. At the trailhead, take time to explore a magnificent section of red pine forest planted in 1968.  
905-342-3851 • nltrust.ca

### 07 Lime Kiln Trail

Take a short hike on this .5-km, cedar-lined trail. It opens up to a dead-end road leading to County Rd. 45. Cross the road beyond the gate for a hike down to Ball's Mill Conservation area. The trail ends at Harwood Rd.  
905-342-2810 (Hamilton Township)

### 08 Great Lakes Waterfront Trail

A highlight in Ontario, 60 km (36 mi) of this Waterfront Regeneration Trust trail will take you between Port Hope and Brighton, mostly on quiet roads with Lake Ontario views. (This is also an ideal cycling trail).  
416-943-8080 • WaterfrontTrail.org

### 09 Lucas Point Park

Take the opportunity to overlook Lake Ontario while on this level, chips-and-dust, 2-km looped trail. Highlights include a small arboretum, a number of bird species, and migrating Monarch butterflies in the fall.  
888-262-6874

### 10 Hazel Bird Nature Reserve

This 4.2-km hiking trail lets you experience oak savannah and tall grass prairie habitats being restored by the Nature Conservancy of Canada, its supporters and volunteers. It's accessible from Harwood Road/Regional Road 15 about 18 km north of Cobourg. This is a side loop of the Oak Ridges Moraine Trail.  
866-281-5331 • naturedestinations.ca

### 11 Northumberland County Forest

Visit the Forest's two new accessible Heritage and Universal trails. See many interesting species of plants and animals. Situated on the Oak Ridges Moraine, the Forest is managed by Northumberland County to provide responsible stewardship and recreational enjoyment. Map found online.  
NorthumberlandCounty.ca/ForestTrails

### 12 Oak Ridges Moraine Trail

Discover 275 km of main trail, starting in the west with a Bruce Trail link through to the Northumberland Forest (the longest wilderness stretch on this trail), splitting at Castleton and Warkworth. A map is recommended.  
877-319-0285 • OakRidgesTrail.org • OakRidgesTrail.ca

### 13 Peter's Woods Provincial Nature Reserve

Discover this special area representing Ontario's sole-surviving Oak Ridges Moraine "old growth" forest. The .8-km trail passes through a near-virgin, maple-beech forest and alongside a picturesque stream.  
866-401-3278 • WillowBeachFieldNaturalists.org

### 14 Russ' Creek Trail

This forested, 5-km trail will take you through a former farming area from the mid-1800s – now home to a provincially-rare remnant tall grass prairie ecosystem. Start 1 km south of County Rd. 29 on Covert Hill Rd. First crossroad is Dunbar.  
905-349-2822 (Alnwick/Haldimand Township)

### 15 Nawautin Nature Sanctuary & Wetland

Explore this 5.31-hectare sanctuary, sheltering wildlife such as deer, fox, beaver, rabbits and birds. Discover a small covered bridge, several ponds, waterfront parks, as well as a pebbly beach that slopes gradually to Lake Ontario.  
905-349-2822 (Alnwick/Haldimand Township)

### 16 Trans Canada Trail (The Great Trail)

Travel 22 km on the Northumberland portion of this trail spanning from Hastings to Hoard's Station. In Campbellford, link to the Rotary Trail along the Trent River and the Ranney Gorge Suspension Bridge. A map is recommended and is free by calling.  
TheGreatTrail.ca

### 17 Seymour Conservation Area\*

Choose from 6 km of meandering trails – or tackle a more challenging route offering a spectacular view from the very top of an impressive drumlin.  
613-394-4829 • ltc.on.ca

### 18 Ferris Provincial Park

Discover unique trails in this 81-hectare park located along the Trent River. Ranney Gorge Suspension Bridge is a breathtaking feature suspending 9 metres above the gorge, connecting the 5-km Rotary Trail (along the banks of the Trent Canal) to Ferris Park.  
705-653-1900 • FriendsOfFerris.ca

### 19 Millennium Trail

Take in a panorama of tree-covered drumlins, forests, uplands and valleys on this 2.6-km, wheelchair-accessible trail that meanders alongside Mill Creek. (Trail is accessible from the bridge on Main St.)  
705-653-1900 (Municipality of Trent Hills)

### 20 Goodrich-Loomis Conservation Area\*

Enjoy up to 12 km of trails, suited to hikers of all ages. Highlights include a cold-water stream, prairie remnants, a noted wetland, and oak savanna.  
613-394-4829 • ltc.on.ca

### 21 Proctor Park Conservation Area\*

Explore this 2.5-km hiking trail, through mixed forest and rolling hills. Access is from the north side of the Proctor-Simpson Barn Theatre.  
613.394.4829 • ltc.on.ca

### 22 Presqu'île Provincial Park

Discover why Presqu'île shelters one of the most important wetlands in Ontario. Its position under a major flyway makes it ideal for birding and unique within the Province. Hike several flat trails here ranging from .3 to 3.8 km.

Cast off in one of Ontario's most desirable fishing destinations.

# Fishing

Part of the Trent-Severn Waterway, Northumberland has incredible year-round fishing.

\*Ice fishing guides/huts can be found in Bewdley, Gores Landing and Harwood

Over 15 species of fish are found among 16 ideal fishing areas.

- Cottage resorts are very popular here. Rice Lake attracts sports fishermen and families alike.
- To the south, Lake Ontario provides excellent salmon and trout angling.
  - Public fishing is available at the Trent-Severn Waterway lock stations.
  - Hastings offers the unique opportunity to fish off the bridge.
  - The Ganaraska River is ideal for fly fishing. Watch the spectacular spring trout and fall salmon runs.
    - Try ice fishing for panfish at Rice Lake, and for walleye and pike at Presqu'île Bay.\*

# Birding

With more than 15 conservation areas, birdwatchers migrate here year after year.

- The map shows optimum areas you're likely to see some unique birds.
- Countless natural areas, as well as 70 km of Lake Ontario shoreline, cedar bogs, rocky and sandy fields make Northumberland prime for birding.
- Visit [NorthumberlandTourism/Birding](http://NorthumberlandTourism/Birding) to contact the many birding guides who live in the area.

## Presqu'île Provincial Park

With its diverse ecosystem and marshland boardwalk, Presqu'île is noted for bird watching. It's a major staging area for migrating waterfowl, shorebirds and songbirds.

## Forest and Fields

The Ganaraska and Northumberland forests have birds not typically found in this region. The Rice Lake plains surrounding the County's forests provide the perfect opportunity to see grassland birds.
