The National Toy Train Museum Strasburg, PA

*Come see our collection
of toy trains from the
1800s to the present day.*

National Headquarters of the
Train Collectors Association™

“Fun That Spans Generations”

The museum houses what is believed to be the largest publicly exhibited toy and model train collection in the United States.

- Over 100 different manufacturers are represented from 1800's to present.
- Rare, unusual and specialty trains.
- Five operating, interactive train layouts in G, Standard, O, S and HO Gauges.
- Continuous video presentations in our theater area on the history, collecting, building and enjoyment of toy trains.
- Gift shop featuring unique items for your favorite train-lover.
- Complete Research Library with a wealth of information on toy trains and manufacturers.
- Free, convenient parking.
- Group rates available.
- Provision for buses.
- Fun for the whole family...

memories for a lifetime!

National Toy Train Museum

Owned and operated by the TCA,
a 501(c)(3) nonprofit organization

Mission Statement – National Toy Train Museum

To complement the mission of TCA by assuring preservation, historical documentation, and education through continuation and encouragement of the stories of toy, model, and scale trains for toy train enthusiasts.

Mission Statement – Toy Train Reference Library

- To acquire, conserve and preserve ephemera relating to toy trains in order to guarantee its current and future use.
- To provide open access to its collection for research and study.

A copy of the official registration and financial information may be obtained from the Pennsylvania Department of State by calling toll free, within Pennsylvania, 1-800-732-0999. Registration does not imply endorsement.
