“Traditional Vermont skiing!”

Bromley has kept classic skiing alive by an easy to navigate mountain and a super friendly staff. Kids are not only welcomed here, they are treasured. The terrain offers something for every level, and the historic lodge and fireplace are simply wonderful. This has become our official family “home away from home.” Thanks Bromley!

For kids ages 5-14
Our fabulous children’s instruction program, combines safety, education and fun.

We’ve said it before. We’re saying it now. And it’s a pretty safe bet that we’ll say it again next year. Because it’s true. Bromley was specifically designed, back in the 1930’s, to be the best Family Ski Resort in the Northeast. Not the biggest. Not the fanciest. Just the best mountain around for moms and dads and kids to have fun on the snow.

We were purpose-built to cater to all ages, levels and abilities, together and separately, and we’ve only gotten better over time. We’ve got your deeps, steeps and bumps, feature-filled terrain parks, glades both easy and OMG!, long, lazy top-to-bottom cruisers, and a slew of friendly and forgiving entry-level slopes.

In other words, we were designed for you. And you. And especially, for you.

Yes, yes, yes. We get it. Winter totally rocks. But you know something? Honestly, on a hot summer day, it's hard to beat The Big Splash, 425' of wet and wild awesomeness. Or a wind-in-your-face race down the mountain on the original summer thrill ride, Bromley's legendary, triple-track Alpine Slide, or.... You get it. Two parks, 23 great rides and attractions. So, yeah. Around here, summer totally rocks, too.
